Each Comprehensive Revision Course (CRC) is taught over a period of three days, for four hours (three hours for Year 10) each day during the school holidays. These courses have proven to be the most effective and stimulating method of revising and consolidating knowledge for assessments, exams and preparation for the HSC.

The July CRC revises ALL the topics that are covered at Intuition up until the July Holidays.

The October CRC is targeted towards preparation for Year 12 and their first HSC assessments. The Year 10 October CRC has been designed to revise the entire Year 10 syllabus in preparation for Year 11 and 12 Mathematics.

Enrolment is dependent upon availability of places and the fees for this course must be paid in advance. Discontinuation from a course will incur a 20% disenrolment fee. Please note times are subject to change.
