Year 12

School Holidays	Hrs	Cost
July CRC	12	\$280
October CRC	12	\$280
Enrol in both [save \$80]	24	\$480

Each Comprehensive Revision Course (CRC) is taught over a period of three days, for four hours each day during the school holidays. These courses have proven to be the most effective and stimulating method of revising and consolidating knowledge for assessments and the HSC.

For Year 12 the July CRC revises ALL the core HSC topics, with a great deal of emphasis being placed on the upcoming trial examinations. The October CRC is targeted towards HSC examination preparation. ALL the HSC topics are revised.

Enrolment is dependent upon availability of places and the fees for this course must be paid in advance. Discontinuation from a course will incur a 20% disenrolment fee. Please note times are subject to change.
